THE PNEUMATON

*The Image-Art of egoless
Coincidence With Reality Itself*

Avatar Adi Da's in-depth examination of the devotional and Spiritual traditions of humankind (particularly as seen in Christianity and Hinduism) and the Transcendental Spiritual Reality-Way of Adidam. To read *The Pneumaton* is to enter a vast and multi-faceted field of paradigm-change and Truth-Revelation.

It is the purpose of this Revelation-Text to Illustrate a right understanding of the esoteric seeking-traditions and seeking-cultures of Spirituality (including "original" Christianity)—and, that having been done, to then Illuminate the Unique and Always Priorly Searchless "Radical" (or Always "At-the-Root") Reality-Way of Adidam, Which is the Reality-Way of Perfectly Non-Dualistic Transcendental Spiritual, Intrinsically egoless, and Self-Evidently Divine Self-Realization.
