### MAKE A WORLD DIFFERENCE

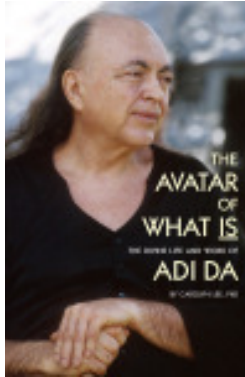

The Parliament of World's Religions is being held in Melbourne, 3-9 December, 2009, under the theme "Make a World of Difference: Hearing each other, Healing the earth". This event will bring together people from all kinds of religious and spiritual traditions, and will be an opportunity for everyone to discover what unites people at the core of their being and be tolerant to each other's apparent differences. The 1893 World's Parliament of Religions was the first congress in which representatives of Eastern and Western religious and spiritual traditions entered into dialogue with each other. This year's Parliament will focus on Indigenous traditions—thereby bringing all of humankind in the same "room".

His Divine Presence, Avatar Adi Da Samraj, speaks to the heart of every human being, regardless of background or tradition:

*The only-by-Me Revealed and Given Reality-Way of Adidam Is a Divine Avataric Revelation, Unique in the "world".*

*When anyone rightly and truly devotionally recognizes Me, all the nonsense and fruitless seeking of the "world"-mummery becomes perfectly evident—like the nakedness of the emperor in his "new clothes".*

*When anyone rightly and truly devotionally recognizes Me, the eyes open to Me, and he or she Perfectly sees Who Is in front of the face.*
