PRIOR UNITY IS THE TRUE HOMELAND OF HUMANKIND

Spoken in 2004, Avatar Adi Da
discourses on a topic of extreme
relevance and urgency to all of
humankind. As in all His
communications, Avatar Adi Da
speaks from the disposition of
Transcendental Spiritual Wisdom
and thus includes and, yet,
transcends all 'points of view',
whether religious, scientific,
political, social, or cultural.

There will also be video footage of
Adi Da sitting in darshan or silent
transmission of His Blessing,
granting the direct experience of
His Transcendental Spiritual State.

The presenters are Dr Sally Taylor
and Frans van den Bossche, long-
time devotees of Adi Da Samraj,
who will talk about the unique,
unfathomable, and potentially
world-transforming significance of
His Life and Teaching. There will
be an opportunity for questions
and answers.

This stunningly beautiful sign of devotional love of Bhagavan Adi Da, gives a deep communication of heart-feeling for all those who knew Beloved Bhagavan in His human Lifetime, and for all those who will come after the time of his Living human Form. *The Eternal One* is a radiant Leela of the Great One as He Appeared in the last years of His human Life, and a Celebration of the Eternal Self-Revelation of Reality Itself Appearing as Bhagavan Adi Da Samraj.

SCIENCE IS A
METHOD, NOT A
PHILOSOPHY

In these excerpts from six unique Discourses, Adi Da reveals how scientific materialism has replaced the sacred orientation in life and indoctrinated humankind into limited belief systems, discussing common views about evolution, astronomy versus astrology, ancient religions, the expanding universe, the "language" of mathematics and shape, and more.
