THE ART OF ADI DA SAMRAJ

At the close of Adi Da's Transcendental Realism Exhibit last year in Florence, the Florence Dance Company performed against a backdrop of Adi Da's Alberti's Window. It was a major public occasion and a huge success.

In July of this year, the Florence Dance Company performed to an arrangement of Vivaldi's Four Seasons to the backdrop of Adi Da's Geome One, in the monumental Piazza Santissima Annunziata Piazza, on a beautiful outdoor stage.

This beautiful Dance and Adi Da's Art will now be featured at the close of the tourist season in Florence, Sept 26 to Sept 30 when thousands of visitors come to see Italy's sculptural treasures from artists such as Michelangelo and Donatello. The Dance will occur in the inner courtyard of one of Florence's most important Museums, the Bargello.

THE ALETHEON

During the final two years of a Lifetime that had been utterly devoted to the Communication of Truth, Avatar Adi Da created His supreme Scripture — a book of oceanic depth and magnitude.

Day after day, month after month, Avatar Adi Da sustained a vast flow of spontaneous writing — moved by His indefatigable Impulse to "say everything" to everyone.

In keeping with the unique and profound purpose of this final book, Avatar Adi Da eventually chose to name it *The Aletheon* (pronounced "a-LAY-thee-on"). The title was His own coinage, based on the ancient Greek word for "Truth" — "Aletheia". Thus, this last and greatest book by Avatar Adi Da is, simply, "the Truth Book".

The early years of Avatar Adi Da's active Teaching-Work had been an astounding demonstration of His willingness to Submit Himself to ordinary egos, and to Work by reflecting egos to themselves.

However, in His final Teaching-gesture of writing *The Aletheon*, Avatar Adi Da had utterly relinquished His previous mode of Self-Submission, and made only His own purest Communication of Truth. Such is the unique quality and purity of this greatest of His Teaching Gifts.

The Divine Avatar's work on *The Aletheon* ended on the very day of His Passing. On November 19, 2008, He said that He felt His writing of *The Aletheon* had come to completion. After that, He never again raised a pencil to write more for the book — except on the morning of November 27, when He called for the title page of *The Aletheon* and finalized the wording on that page, thereby forever bringing to a close His final great writing-labor of love.

The Aletheon will be published in two editions - as an eight-volume boxed paperback set, and also as a (limited) hardbound edition in a slipcase. The total page count will be approximately 2300 pages.

Given the size of this volume, orders will need to be placed to receive your copy. Please phone John if you would like to order *The Aletheon* on 03 5422 2399 or 1800 234 326 or email melbourne@adidamaustralia.org

CRAZY DA MUST SING, INCLINED TO HIS WEAKER SIDE

Confessional Poems of Liberation and Love. written and recited by Avatar Adi Da Samraj, most of which were written between 1971 and 1976. Two weeks after writing the final poem ("Every body is an island for its one") on August 12, 1982, Avatar Adi Da read the collected poems aloud to a group of His devotees. This CD is a recording of that occasion
